

### Swift Freedom Touring Gig Four/Quad

Total Boat weight: Coxed Four 88kg; Coxed Quad 92kg

Length: 11m; Width: 74cm; Depth: 34cm

#### Features:

- Big hatches on each seat deck for storing clothing etc.
- 40cm hatch on bow canvas, 20cm hatch on stern canvas for storing bigger items.
- Built in keel for exceptional strength and stiffness, as well as great tracking.
- Stainless steel keel strip to protect the keel.
- Flexfoot shoes to suit all sizes.
- Handles for easy carrying.
- Large rudder for good manoeuvrability.
- Enclosed seat deck for exceptional buoyancy/safety.

#### **Club B (Hull construction: Fibreglass/CoreMat/Fibreglass)**

Overview	Specifically built for recreational/training purposes. This construction is the easiest to maintain and repair.
Hull	Lantor CoreMat with fibreglass skins and carbon reinforcing. Full Carbon shoulders.
Saxboards and canvas decks	Honeycomb core with fibreglass skins, and carbon reinforcing. Decks are honeycomb core with fibreglass skins.
Seat deck	High density closed cell PVC foam core with fibreglass skins.

### **Swift Racing and Rowing Centre UK**

Swift Racing boats are entirely built in a modern, fully integrated factory, using top grade materials and production processes, to high standards of quality assurance and control. All boats have double skinned hulls and are heat-cured under vacuum using epoxy resins for maximum structural strength, integrity and stiffness.

Swift Racing boats are distributed in the UK and Ireland by Rowing Centre (UK) who also supply boat spares, rowing accessories, boat and oar racking. Your new Swift Racing boat will come with full customer support and a 5 year warranty. Should you require it, we also offer approved boat repair and maintenance.

Swift Racing and Rowing Centre (UK) are committed to providing the highest quality products and support at the very best value – without compromise.

Please contact Dominic Vincent when you are ready to order your Swift Racing boat. We hope that you will soon join the happy owners of 1,000's of Swift Racing boats across the UK and Ireland, already competing and winning at all levels for Clubs, Schools and Universities.
