GGBC Racking Rules

- 1. Membership:** Racks may only be rented by paid-up Members with Full Rowing Membership. Membership forms are available at: <https://goringgapbc.org.uk/join-us/> To simplify administration for the Club, all members renting racks from the Club must provide a direct debit mandate that is used for membership, racking and EA registration fees.
- 2. Applications:** Members not already renting a rack, or wishing to purchase a new rack lease, must contact the Racking Manager (e: racking@goringgapbc.org.uk.) who will advise if space is available. Available racks will be issued on a first come first served basis, where a rack is not available for lease, the application will be filed on a waiting list. If a rack is available, the applicant must complete the Racking Rental Form and make payment as required in the Racking Fees schedule *before* racking their boat at the Club.
- 3. Racking Fees:** All racks are rented on an annual basis. Current Racking Fees are listed in the Racking Fees schedule (page 4) and are payable in advance via Direct Debit.
- 4. Expiry:** All rack rentals will be for 12 months and will automatically be renewed unless the renter ceases to be a Full Club Member or gives at least 30 days written notice to the Racking Manger that they no longer wish to renew.
- 6. Refunds:** Removal of boats requires 1 months' notice to the Racking Manager. Refunds of racking Fees will be made pro rata to the number of full months remaining to the end of the Rental year.
- 8. Removal for non-payment:** Where boats are stored at the Club without payment of racking fees or by individuals who are no longer Full Club Members, the owner will be given 14 days' notice (this may be via email) to pay all fees owed or the boat must be removed from the Club. Where boats are due to be removed from the Club for non-payment of fees and the boat is not removed, the Club reserves the right to remove the boat from the Club. Goring Gap Boat Club accepts no responsibility for loss or damage to any boats removed from the Club as a result of non-payment of fees.
- 8. Liability:** The Club accepts no liability for any damage, however caused, to boats or privately-owned equipment stored at the Club. It is up to the individual to insure their own equipment.
- 9. EA Registration:** The Club requires that all boats used from the Club's site are registered with the Environment Agency and pay the required River Thames boat registration charge. The Club will provide all racked boats with a GGBC registration number that must be applied to the racked boat in accordance with EA requirements¹. Details of EA Registration requirements can be found here: <https://www.gov.uk/government/collections/river-thames-boat-registration-and-application-forms>

¹ All boats on the water must display a Boat ID in the form GOGXXX. Lettering must be in capital letters, in a regular sans serif (eg Arial style font), with a minimum height of 6 cm. This must be clearly legible, above the waterline, in a contrasting colour to the boat and displayed on both port and starboard (bow, saxboard) on a vertical surface.
